## PERMISSION SLIP FOR SCHOOL COUNSELING

This letter provides us with permission for your child to see Elizabeth Petteys, the Counselor at Willett Elementary School.

The counseling program focuses several skills, including building confidence and motivation in one's self and one's school-work, goal setting, organization, teamwork, and more competencies that have been shown to increase connection to academics and the classroom. Students referred to the program meet with the counselor for short-term individual or small group support.

This permission slip allows the counselor to meet with your student on an as needed basis. Since counseling is based on a trusting relationship between the counselor and the student, information shared is kept confidential except in certain situations where we have an ethical responsibility to share for the student's well-being. If a student reveals information about being hurt or hurting himself/herself or another person, confidentiality will be broken to ensure the child's safety.

Please sign the attached permission slip and return it to your child's teacher or to the front office. If you have any questions, please feel free to email or call me.

Sincerely,

Elizabeth Petteys, M.S., M.Ed., PPS
